

Grief and Loss Training

Aetna Better Health of Kentucky is proud to offer a training series provided by The Kentucky Center for Grieving Children and Families. The focus is on grief and loss, and its impact on children. This training is for providers, caregivers, educators, and any agency that interacts with youth.

Virtual training series will take place on given dates from 1-2:30 PM ET.

Clicking on the title of the training will open a registration link in a separate window.
